

The image features a red background with a fine, pebbled texture. Overlaid on this background is a complex arrangement of black geometric shapes. A large, dark, irregular shape is positioned in the upper right quadrant. To its left, a series of smaller black rectangles and squares are arranged in a stepped fashion. A prominent horizontal black rectangle is located in the lower middle section, containing the word "CRESSET" in a white, sans-serif font. Below this rectangle, there are several more black geometric elements, including a large square on the right and a smaller square on the left. The overall composition is abstract and modern.
